INDEPENDENT AUDITORS' REPORT

To the Board of Directors

County United Way, Inc.
Cumberland, Maryland

We have audited the accompanying financial statements of County United Way, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of County United Way, Inc. as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

Note 1 – Summary of significant accounting principles

Nature of activities

County United Way, Inc. (d/b/a United Ways of the Potomac Highlands) (the “Organization” or “County United Way”) is a nonprofit organization governed by a volunteer board of directors, including the United Ways of Allegany, Garrett, Hampshire, and Mineral Counties, following the guidance of the national organization of the United Way of America. Its purpose is to raise funds from the general public to be disbursed to various local nonprofit agencies.

Tax status

County United Way, Inc. is a nonprofit, nonstock organization incorporated under the laws of the State of Maryland. It is an organization which is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, and has been classified by the Internal Revenue Service as an organization that is not a private foundation. However, it is primarily a publicly supported organization. As a result, contributions made to the County United Way, Inc. are deductible by the donors in computing their taxable income to the extent provided by Section 170 of the 1954 Internal Revenue Code.

The Organization’s tax filings are subject to audit by various authorities. The Organization’s federal income tax returns for years before 2015 are no longer subject to examination by the Internal Revenue Service. The Organization believes it is not subject to any uncertain tax positions.

Campaign support

Annual campaigns are conducted in and around Allegany and Garrett Counties of Maryland and Mineral and Hampshire Counties of West Virginia each year to raise support for allocation to participating agencies in the subsequent year. The campaign year is considered to be from May 1 to April 30. Pledges by certain businesses or their employees, as a group, are individually material to the financial statements.

COUNTY UNITED WAY, INC.

NOTES TO FINANCIAL STATEMENTS

Note 1 – Summary of significant accounting principles (continued)

Basis of presentation

The financial statements of County United Way, Inc. have been prepared in accordance with U.S. generally accepted accounting principles (“US GAAP”), which require County United Way, Inc. to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of County United Way, Inc.’s management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of County United Way, Inc. or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Contributions

Contributions received are recorded as without donor restrictions or with donor restrictions support depending on the existence or nature of any donor restrictions.

If the Organization receives cash or other financial assets from a donor to be transferred to a specified beneficiary, then the Organization shall recognize its liability to the specified beneficiary concurrent with its recognition of the assets received from the donor.

COUNTY UNITED WAY, INC.

NOTES TO FINANCIAL STATEMENTS

Note 1 – Summary of significant accounting principles (continued)

Investments

Investments are reported at cost, if purchased, or at fair value, if donated. Thereafter, investments are reported at their fair values in the statements of financial position, and changes in fair value are reported as investment return in the statement of activities.

Purchases and sales of securities are reflected on a trade-date basis. Gains and losses on sales of securities are based on average cost and are recorded in the statements of activities in the period in which the securities are sold. Interest is recorded when earned. Dividends are accrued as of the ex-dividend date.

Functional expenses

All functional expenses are recorded in the period incurred regardless of when paid.

Estimates

Preparation of financial statements in accordance with U.S. generally accepted accounting principles necessitates the use of estimates of certain amounts. County United Way, Inc. uses estimates to determine the uncollectible amounts of pledges receivable, the remaining estimated useful lives of furniture and equipment, and the fair market value of donated furniture and equipment and marketable equity securities. It is reasonably possible that these estimates may change in the near term.

Cash and cash equivalents

For purposes of the statements of cash flows, County United Way, Inc. considers all certificates of deposit and all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

New Accounting Pronouncement

On August 18, 2016, FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958) – *Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. County United Way, Inc. has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively to all periods presented.

County United Way, Inc. has established an endowment fund which when completely funded is planned to fund the functional expenses of the Organization with the interest and dividends from the assets contained in the fund. The endowment fund is being funded by pledges from donors which are permanently restricted by the donors.

Interest and dividends earned, until the endowment fund is completely funded are also restricted. The Organization will consider the fund "fully funded" when the balance achieves \$5,200,000.

The Mission of the Endowment is: To build a substantial, permanent endowment fund, created through the gifts of many individual and corporate donors over time, invested for long-term growth, which will guarantee forever an independent annual base of financial stability for the County United Way.

The principal shall be maintained in perpetuity, unless recommended by the Endowment Committee to the Board of Directors of County United Way to do otherwise. Income, in the form of interest, dividends or realized capital gains, may be used for program support that is not dependent upon fluctuations in annual contributions, but only at the direction of the Board of Directors, following a request from a county's Executive Committee.

All investment increases (decreases) will continue to roll over into the endowment. Use of all interest income or any part of the principal will be at the sole discretion of the trustees of the County United Way.

COUNTY UNITED WAY, INC.

NOTES TO FINANCIAL STATEMENTS

Note 5 – Other assets - endowment fund (continued)

The Endowment Committee pursuant to the Bylaws of County United Way provides guidance to managing the endowment funds. The committee is composed of at least 1 representative from each geographical area that has a vested interest in the endowment. The committee shall also include the Treasurer of the Organization and include individuals with experience or training in investing funds, financial or business management.

In April 2009, the State of Maryland enacted a version of Uniform Prudent Management of Institutional Funds Act. The new law, eliminates the historical-dollar-threshold and establishes prudent spending guidelines that consider both the duration and preservation of the fund. As a result of this enactment, subject to the donor's intent as expressed in a gift agreement or similar document, a Maryland charitable organization may now spend the amount of the principal and income of an endowment fund, even from an underwater fund, after considering the factors listed in the Act.

All assets of the endowment are donor and permanently restricted.

Note 6 – Fair value measurements

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, “Fair Value Measurements and Disclosures,” provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Organization's investments at fair value as of June 30, 2020:

	Investments at Fair Value as of June 30, 2020
