## INDEPENDENT AUDITORS' REPORT

To the Board of Directors

**County United Way, Inc.**  
Cumberland, Maryland

We have audited the accompanying financial statements of County United Way, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of County United Way, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of County United Way, Inc. and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about County United Way, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of County United Way, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about County United Way, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charge with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**Tax status**

County United Way, Inc. is a nonprofit, nonstock organization incorporated under the laws of the State of Maryland. It is an organization which is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, and has been classified by the Internal Revenue Service as an organization that is not a private foundation. ### NOTES TO FINANCIAL STATEMENTS

Note 1 – Summary of significant accounting principles (continued)

Basis of presentation

The financial statements of County United Way, Inc. have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require County United Way, Inc. to report information regarding its financial position and activities according to the following net asset classifications:

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of County United Way, Inc.'s management and the board of directors.

**Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of County United Way, Inc. or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Contributions

Contributions received are recorded as without donor restrictions or with donor restrictions support depending on the existence or nature of any donor restrictions.

If the Organization receives cash or other financial assets from a donor to be transferred to a specified beneficiary, then the Organization shall recognize its liability to the specified beneficiary concurrent with its recognition of the assets received from the donor.

**COUNTY UNITED WAY, INC.**

**NOTES TO FINANCIAL STATEMENTS**

**Note 1 – Summary of significant accounting principles (continued)**

**Investments**

Investments are reported at cost, if purchased, or at fair value, if donated. Thereafter, investments are reported at their fair values in the statements of financial position, and changes in fair value are reported as investment return in the statement of activities.

Purchases and sales of securities are reflected on a trade-date basis. Gains and losses on sales of securities are based on average cost and are recorded in the statements of activities in the period in which the securities are sold. Interest is recorded when earned. Dividends are accrued as of the ex-dividend date.

**Functional expenses**

All functional expenses are recorded in the period incurred regardless of when paid.

**Estimates**

Preparation of financial statements in accordance with U.S. generally accepted accounting principles necessitates the use of estimates of certain amounts. County United Way, Inc. uses estimates to determine the uncollectible amounts of pledges receivable, the remaining estimated useful lives of furniture and equipment, and the fair market value of donated furniture and equipment and marketable equity securities. It is reasonably possible that these estimates may change in the near term.

**Cash and cash equivalents**

For purposes of the statements of cash flows, County United Way, Inc. considers all certificates of deposit and all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

**COUNTY UNITED WAY, INC.**

**Note 5 – Other assets - endowment fund**

County United Way, Inc. has established an endowment fund which when completely funded is planned to fund the functional expenses of the Organization with the interest and dividends from the assets contained in the fund. The endowment fund is being funded by pledges from donors which are permanently restricted by the donors.

Interest and dividends earned, until the endowment fund is completely funded are also restricted. The Organization will consider the fund "fully funded" when the balance achieves \$5,200,000.

The Mission of the Endowment is: To build a substantial, permanent endowment fund, created through the gifts of many individual and corporate donors over time, invested for long-term growth, which will guarantee forever an independent annual base of financial stability for the County United Way.

The principal shall be maintained in perpetuity, unless recommended by the Endowment Committee to the Board of Directors of County United Way to do otherwise. Income, in the form of interest, dividends or realized capital gains, may be used for program support that is not dependent upon fluctuations in annual contributions, but only at the direction of the Board of Directors, following a request from a county's Executive Committee.

All investment increases (decreases) will continue to roll over into the endowment. Use of all interest income or any part of the principal will be at the sole discretion of the trustees of the County United Way.

**COUNTY UNITED WAY, INC.**

**NOTES TO FINANCIAL STATEMENTS**

**Note 5 – Other assets - endowment fund (continued)**

The Endowment Committee pursuant to the Bylaws of County United Way provides guidance to managing the endowment funds. The committee is composed of at least 1 representative from each geographical area that has a vested interest in the endowment. The committee shall also include the Treasurer of the Organization and include individuals with experience or training in investing funds, financial or business management.

In April 2009, the State of Maryland enacted a version of Uniform Prudent Management of Institutional Funds Act. The new law, eliminates the historical-dollar-threshold and establishes prudent spending guidelines that consider both the duration and preservation of the fund. As a result of this enactment, subject to the donor's intent as expressed in a gift agreement or similar document, a Maryland charitable organization may now spend the amount of the principal and income of an endowment fund, even from an underwater fund, after considering the factors listed in the Act.

All assets of the endowment are donor and permanently restricted.

**NOTES TO FINANCIAL STATEMENTS**

**Note 6 – Fair value measurements**

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, “Fair Value Measurements and Disclosures,” provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

**Level 2** Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Organization’s investments at fair value as of June 30, 2022:

	<b>Investments at Fair Value as of June 30, 2022</b>
